DESPACHO SETOR DE COMPRAS

PROCESSO N. 008/2022.

A pesquisa de mercado realiza o procedimento de cotação de preços a partir de consultas a tabelas oficiais, pesquisas de mercado através de propostas físicas, por e-mail, telefone, internet, outros contratos administrativos, outros Órgãos, ou pessoalmente.

Tudo é realizado de modo a obter o preço médio e também o menor preço estimado mais vantajoso à Administração Pública, respeitando-se, assim a Lei de Licitações e as orientações do Tribunal de Contas.

No presente caso, a busca por preços de mercado se deu através de contratos semelhantes, ao que será contrato por essa administração, conforme é demonstrado na planilha com o mapa de cotações à seguir, assim como os contratos semelhantes (formuladas a partir de modelos apresentado às pessoas jurídicas consultadas).

No preço contratado já se encontram computados todos os impostos, tarifas, mão-de-obra e demais despesas que, direta ou indiretamente tenham relação com o objeto deste contrato, isentando o **CONTRATANTE** de quaisquer ônus por despesas decorrentes.

Por fim, seguem anexas propostas que serviram de base para a pesquisa a partir de modelos sugeridos às empresas cotadas, cujo preço médio global estimado foi de **R\$ 4.416.411,34 (quatro milhões, quatrocentos e dezesseis mil, quatrocentos e onze reais, trinta e quatro centavos)**.

Formosa da Serra Negra - MA, 18 de janeiro de 2021.
